### LIVE LINE AND NON LIVE LINE COUPLERS

<b>Product Range:</b>	64BKA, 118BKA, 114BKA, 224BKA, 224BSTDKA, 8BU, 15BU, 25BU, 35BU, 8BUFO, 15BUFO, 25BUFO & 35BUFO
<b>Product Stock Code:</b>	N/A
<b>Release Date:</b>	16 <sup>th</sup> September 2025

#### Feature:

An innovative and creative DNA, the AusProof style has again led the approach to industry expectations and continues to raise these expectations. Newly designed live line indicators provide an even brighter light than before, with visibility possible during daylight hours. The introduction of this live line into the open cut range marks the latest development.

Our newly developed manufacturing processes have enabled the standard inclusion of this feature across all products, without any additional charges or costs to customers. To maintain simplicity and operational efficiency, existing stock codes will remain unchanged while now incorporating the three Live Line Indicators.

Range Number	AusProof		KonNx	
	Current Stock No.	New Stock No.	New Stock No.
