

PNA - Product Notification Alert

Ex LLI Bullet Dust Protection

Product Range:	Ex LLI Bullet Dust Protection
Product Stock Code:	RS3617
Release Date:	11 th December 2024

Feature:

An Ex Live Line Bullet Dust Protection Cap has been designed and created to protect the window within the Ex Live Line LED Bullet from dirt build up and damage.

This Dust Protection Cap works by clipping onto the face of the Live Line Bullet, but it has been designed to ensure the flashing LED light remains visible.

This item will now be supplied within the **RS3362**.

Alternatively, **RS3617** can be purchased separately, containing 3 Ex Live Line Bullet Dust Protection Caps.
