

PNA - Product Notification Alert

Imperial to Metric

Product Range:	Imperial to Metric – All Ranges
Product Stock Code:	N/A
Release Date:	11 th December 2024

Feature:

AusProof is currently converting all fasteners and product with threaded holes from Imperial to Metric.

This applies to all ranges, so Part Numbers have not been listed. However, some products that are now metric may begin to arrive. Efforts will be made to avoid mixing imperial and metric items in a single order.
