PNA - Product Notification Alert

INSULATED END COVER – HANDLE / WITHOUT HANDLE

Product Range:	11kV 8B
Product Stock Code:	RS118, RS1775 & RS2131
Release Date:	16th September 2025

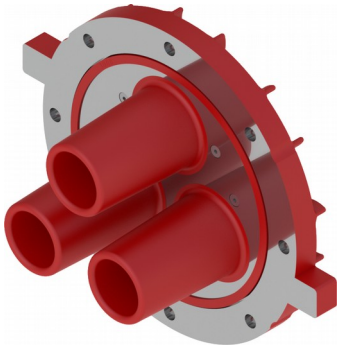

Feature:

RS118 was discontinued with the introduction of RS1775, which offered an improved design featuring handles on the end covers.

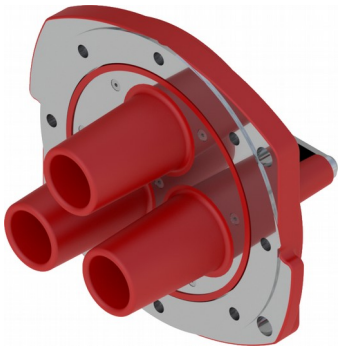

RS118 has now returned to the market, offering customers the choice between the RS1775 with handles and the RS118 without handles.

While RS119 still remains discontinued, we are now offering customers the RS2131. A new 11kV KA 4B insulated end cover, designed with a convenient handle.

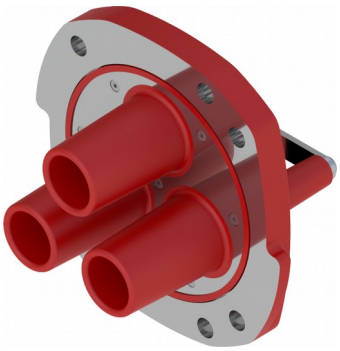

Product Number (Without Handle)	Product Number (With Handle)	Description
