

PNA - Product Notification Alert

LV RANGE DUMMY PLUG WITH DIODE

Product Range:	AES, AS & AL
Product Stock Code:	Low Voltage Dummy Plugs
Release Date:	16 th September 2025

Feature:

Dummy Plugs fitted with diodes on pilot pins are essential safety components in mining operations. These plugs protect unused receptacles from dust, moisture and contaminants. Equipped with diodes they allow safe electrical testing by simulating loads without live connections. Improving safety, protecting equipment and supporting routine maintenance.

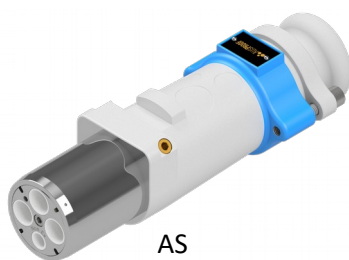

Please refer to the table below for all compatible restrained range available.

*AL is available in both 4 and 6 pin variations.

Product Number	Range	Description	Product Number	Range	Description
RS3618	AES	660V 60A	RS3625	AL	1100V 425A 4P
RS3619	AES	1100V 60A	RS3626	AL	1100V 300A 6P
RS3620	AS	660V 150A	RS3627	AL	1100V 425A 6P
RS3621	AS	1100V 150A	RS3628	AL	3300V 300S 4P
RS3622	AL	660V 300A 4P	RS3629	AL	3300V 425A 4P
RS3623	AL	660V 425A 4P	RS3630	AL	3300V 300A 6P
RS3624	AL	1100V 300A 4P	RS3631	AL	3300V 425A 6P
